Dear Arleigh:

I thoroughly enjoyed the excellent briefing that Admiral Raborn gave on the "Polaris" system and also the visit to New London to see the USS George Washington.

As I wrote Admiral Raborn, the briefing and the trip were extremely well-handled and our session with him will be very helpful to us in our work here. I was impressed with the efficiency and knowledgeability of the crew and found the methods used by the Navy in the management of the project to be very interesting.

I greatly appreciated the opportunity to be brought up-to-date on the "Polaris" program and I want to thank you for making this possible.

With kindest personal regards.

Sincerely,

SIGNED
